Company Overview

Professional Glass Installations is an emerging glazing contractor in the industry. We are a small business with a combined 35 years of experience in all aspects of commercial glazing.

PGI was established in 2019. We have successfully completed a number of projects in the greater bay area including:

- Bay Area Rapid Transit District Powell Street Station, (GC-ProVen Management) 5' Glass Barriers
- The Wilkerson (GC Aztec Consultants) New Windows & Storefront

PGI is committed to providing professional services to help you meet your individual glazing needs. We look forward to helping you with your next project.
